

Youth and Parents Needed for Mobile Study to Support Mental Health

Earn Up to
\$400/Family!

Help Us Test an App for Youth & Parents

We're looking for Juvenile Justice-involved youth, 15 to 21 years old, who have struggled with feeling suicidal. A parent or legal guardian will need to participate as well.

Study Payment

Up to \$400 per family. Payment per virtual interview, plus bonus for completing all 4 study meetings.
